

## **Welcome to our Retirement Analyzer!**

Enclosed you will find our exciting new tool: the Retirement Analyzer. This is a brand new system designed by The Annuity Source, Inc. and *you won't find it anywhere else.*

Here is what our exclusive Retirement Analyzer can do for you:

- Gives you something of value to talk about – regardless of the interest rate environment
- Identifies what your client's retirement goals are and where they may be falling short
- Locates assets that can provide retirement security
- Includes an easy-to-use questionnaire that helps clients focus on what income they desire
- A comprehensive illustration tool that demonstrates how you can make client's money last
- Solves multiple goals such as retirement income, keeping pace with inflation and leaving a legacy
- A sample client mailer: fill in their information, print and mail

*This tool is not available to everyone!*

As an unprecedented amount of baby boomers approach retirement age, you have a golden sales opportunity. Our Retirement Analyzer will make your knowledge desirable, your solutions viable and affirm your sale.

Get ready for the next phase of your business. Let our Retirement Analyzer open doors to your client's success and yours.
